

## Produkt Informationen

Weller®

PT A7

Bestellnummer : T4PTA7

## Soldering Tip

PT A7 Soldering Tip Chisel 370°C, 1,6 mm for TCPS, TCP 12, TCP 24, TCP 42 und FE 50M Soldering Iron

Width A 1,6 mm

Thickness B 0,7 mm

|                |                                   |
|----------------|-----------------------------------|
| <b>Plating</b> | Longlife Iron, leadfree optimized |
|----------------|-----------------------------------|

- Width: 1,6 mm
- Thickness: 0,7 mm

## Packaging information

|                                               |         |
|-----------------------------------------------|---------|
| <b>Shelf pack size (Units per shelf pack)</b> | Counted |
|-----------------------------------------------|---------|

## Technical Data
