

## Produkt Informationen

**PT D9**

Bestellnummer : **T4PTD9**

### Soldering Tip

PT D9 Soldering Tip Chisel 480°C, 4,6 mm for TCPS, TCP 12, TCP 24, TCP 42 and FE 50M Soldering Iron

Width A 4,6 mm

Thickness B 0,8 mm

**Plating** Longlife Iron, leadfree optimized

- Width: 4,6 mm
- Thickness: 0,8 mm

### Packaging information

|                                               |         |
|-----------------------------------------------|---------|
| <b>Shelf pack size (Units per shelf pack)</b> | Counted |
