

140W/100W Soldering Gun

Item No: WLG940023C

140W/100W Soldering Gun, EU

The Weller WLG940023C series soldering gun is optimally used for heavy-duty soldering, cutting, and smoothing applications including those involving: heat sinks, ground planes, metal art, and plumbing.

RECOMMENDED FOR FOLLOWING APPLICATIONS

KEY FEATURES

Solder. Smooth. Cut.:
6 Second Heat-up:
Better Visibility:

Soldering Gun comes with one high quality, genuine 7135W Weller soldering tip.
Focused bright LED light provides illumination for improved visibility in low-light environments

Dual Power Trigger:

Soldering Gun delivers two levels of power for your soldering task needs, both deliver heat up to 900 °F. When full 140 Watt power is needed, pull the trigger halfway. When medium 100 Watt power is needed, pull the trigger fully

Comfort Grip:

The co-molded perfect fit pistol grip features a soft, non-slip grip and great ergonomic feel
