

EPIC® H-A 16 TG

These connectors are attractive because of their compact housing.

The robust hood intended for rectangular connectors is suitable for applications requiring a high number of contacts.

Info

Non-slip ridges for comfortable disconnecting

Protection rating UL50E tested

High version: More interior space for wiring

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

Small and compact, for applications with high number of contacts

Application range

Machine and equipment manufacturing

Control engineering

Electronic laboratory

Product features

Hood, low version

Bolts for single lever

Straight cable entry
