

## LED, FS technology QC Clip, 24 Volt, red

### description

- Clip with SMT LED
- Illumination of illuminated pushbuttons, illuminated selector switches, illuminated emergency stop and illuminated actuators
- Mounting: snap into switching elements QC and clip carrier for illuminated actuator
- For better illumination use switching elements with light guide
- For clear colors we recommend to choose the LED color in the color of the bezel

### technical data

#### ➤ general

|                             |         |
|-----------------------------|---------|
| Luminous element color      | red     |
| Operating temperature, min. | -40 °C  |
| Operating temperature, max. | 85 °C   |
| illuminated                 | Yes     |
| Luminous elements           | LED     |
| Packaging unit              | 10 pcs. |
| net weight                  | 1 g     |
| MOQ order                   | 10 pcs. |
| RoHS compliant              | Yes     |
| REACH compliant             | Yes     |

#### ➤ mechanical data

|                      |                                       |
|----------------------|---------------------------------------|
| Terminal on the rear | Flat quick-connect terminal 2.8 x 0.8 |
|----------------------|---------------------------------------|

#### ➤ electrical data

|                                                 |             |
|-------------------------------------------------|-------------|
| Operating voltage of the luminous element, min. | 19.2 V      |
| Operating voltage of the luminous element, max. | 28.8 V      |
| Voltage type                                    | DC          |
| Rated operating voltage                         | 19,2-28,8 V |
| Power loss                                      | 0.058 W     |
